**Station Casinos Selects Hospitality Network
For Guest Room Entertainment Services**

HENDERSON, Nev. – Cox Business Services announced today that its Hospitality Network solution, the leading in-room guest video and data technology product for the gaming industry, has been selected by Station Casinos for the company's nine Las Vegas properties.

Cox Business Services will equip Station Casinos' properties with the latest technology, including digital in-room video-on-demand service and high-speed wired and wireless Internet service. The contract includes more than 2,800 of the company's guest rooms in Las Vegas.

"We are proud to partner with Station Casinos to enhance their guest in-room experience," said David Blau, vice president and general manager of Cox Business Services in Las Vegas. "Enhancing guest in-room experience with state-of-the-art technology, such as wireless Internet access, can directly impact room rates, occupancy and return on equity."
